

Privacy statement

This privacy statement describes the processing of personal data related to Nokian Tyres plc's General Meeting.

Updated January 30, 2026

1. Controller and contact information

Name: Nokian Tyres plc
Address: Pirkkalaistie 7, 37100 Nokia, Finland
Business ID: 0680006-8

Contact: privacy@nokiantyres.com

2. Name of the register

Nokian Tyres plc's register of general meetings

3. The purpose and legal basis for processing personal data

The purpose of processing personal data is to enable carrying out the General Meeting of the controller in accordance with the law.

Personal data are processed for the purposes necessary for the organisation of the General Meeting, such as to verify the identity of the registrant and their right to participate, preparing a list of participants, a list of votes and possible voting tickets, organizing any voting, and manage possible questions and requests to be heard.

Personal data is also processed for the purpose of verifying the content of the General Meeting and for implementing the webcast. Shareholders who have registered for the General Meeting can follow the meeting through the webcast carried out by the Inderes Oyj's virtual AGM Service via videosync-platform. The meeting recording may be used to verify the content of the meeting and to make the recording available for viewing by Nokian Tyres Group's employees after the meeting.

The technical implementation of the registration system, General Meeting hall bookkeeping and possible advance voting and/or possible voting during the General Meeting is carried out by Innovatics Oy. The list of shareholders is maintained by Euroclear Finland Oy. Inderes Oyj is responsible for the General Meeting service in its entirety.

Based on the information in the register, a list of votes and a summary of the votes cast are established and attached to the minutes of the meeting. The list of votes contains information on the name of the shareholder and possible proxy and/or aid, number of the vote ticket (participant number), number of shares by share class, number of votes, basis of representation and means of attendance.

At the general meeting, in accordance with the Limited Liability Companies Act, the shareholder register is made available, which includes the names of shareholders, municipality, and the number of shares and votes according to the record date of the meeting. The list also contains information on nominee registered shareholders who are temporarily registered in the list of shareholders for the General Meeting.

Processing of personal data is based on the legal obligations of the controller. To the extent that the processing of personal data is not based on the controller's statutory obligations, the processing is based on the controller's legitimate interest to process

personal data in order to organize and manage the General Meeting and voting, including for the implementation of the virtual General Meeting service.

4. Processed personal data

The processed personal data include the shareholder's and their possible proxy's name, personal identity number and/or business ID, address, contact details, number of shares and votes, voting information, authentication method, basis of representation, date of registration, and possible information on aid, power of attorney, preliminary questions, and any additional information provided in connection with the registration. When participating in the General Meeting, the time of arrival and departure of each participant are recorded. For technical maintenance and monitoring of the service, log data on registration and voting, as well as the user's IP address are also recorded.

The register contains the list of shareholders on the record date created by Euroclear Finland for the General Meeting, containing, e.g., the shareholder's name, personal identity number/business ID, address, and number of shares.

The register contains a temporary list of shareholders created by Euroclear Finland for the General Meeting, containing information on nominee registered shareholders registered for the General Meeting and their number of shares.

The General Meeting will be webcasted and recorded. The personal data to be processed includes presentations and speeches by persons appearing in the webcast and video recording.

5. Regular sources of data

Personal data is mainly collected from the shareholder themselves or from their representative in connection with the registration to the General Meeting. When registering via e-mail, mail or telephone, the controller or Innovatics Oy enters the registrant's personal data and advance votes into the register.

Based on the personal data provided in connection with the registration, Innovatics Oy retrieves the number of shares of the shareholder on the record date from the list of shareholders created by Euroclear Finland.

Innovatics Oy enters the voting instructions for nominee registered shareholders represented by account operators at the General Meeting into the register.

6. Transfer of data to third parties and outside the EU or the European Economic Area

The data contained in the register may be shared with third parties involved in organizing the General Meeting who need the registered data in their operations. Data is not disclosed for commercial purposes.

For recipients with Finnish phone numbers, text messages are sent via a Finnish service provider. For those with international numbers, text messages are sent using a Swiss service.

The recording of the General Meeting may be made available to Nokian Tyres Group's employees located outside the EU or European Economic Area. Otherwise, personal data is not transferred or disclosed outside the EU or the European Economic Area.

7. Basis for register protection

Physical material is stored in a locked room accessible only to persons entitled to the data.

Electronic material is stored in a data room that meets the requirements for the processing of personal data. The connection from the user's browser to the server is encrypted. Access to the register is limited to the employees of the controller and subcontractors who need and process data to organize the General Meeting.

8. Storage and deletion of personal data

Innovatics Oy stores personal data for a maximum of two years after the end of the General Meeting.

Euroclear Finland Oy stores personal data for a maximum of four months after the end of the General Meeting.

The minutes of the General Meeting and the list of votes attached thereto are stored permanently in order to comply with statutory obligations. The minutes contain the names of shareholders who participated in the General Meeting, the names of potential proxies and aids, the number of shares and votes, and the numbers of the voting tickets. The video recording of the General Meeting is stored for one year based on legitimate interest. The recording includes the presentations and speeches captured in the video recording.

Other data is destroyed when it is no longer necessary to draw up the minutes or to verify their accuracy.

9. Rights of the data subject

The data subject has the right to obtain information about whether their personal data is being processed, and if such data is being processed, the right to request from the controller access to personal data concerning themselves. In addition, the data subject has the right to request the restriction or deletion of the processing concerning themselves, subject to the limitations arising from applicable legislation. The data subject also has the right to request the restriction of the processing concerning themselves or to object to the processing, to the extent that the basis for the processing of data is the legitimate interest of the controller. Any request shall be addressed in writing to the contact person mentioned in Section 1 above.

The data subject has the right to lodge a complaint with the Data Protection Ombudsman if they have objections to the processing of personal data. The instructions are found on the website of the Data Protection Ombudsman at <https://tietosuoja.fi/en/>.
